

## § 52b.7

45 CFR part 81—Practice and procedure for hearings under part 80 of this title

45 CFR part 84—Nondiscrimination on the basis of handicap in programs and activities receiving or benefiting from Federal financial assistance

45 CFR part 91—Nondiscrimination on the basis of age in HHS programs or activities receiving Federal financial assistance

[49 FR 38110, Sept. 27, 1984]

### § 52b.7 Rate of Federal financial participation.

(a) The amount of a construction grant may not exceed 75 percent of the necessary allowable cost of construction as determined by the Director, except that in situations where the Director finds good cause for waiving requirements, for example, in order to achieve sufficient geographical distribution of facilities, the amount of the construction grant may exceed 75 percent of the necessary allowable cost of construction.

(b) Subject to paragraph (a) of this section, the Director shall set the actual rate of Federal financial participation in the necessary allowable cost of construction taking into consideration the most effective use of available Federal funds to further the purposes of section 406(b) or section 404(b)(9).

### § 52b.8 Terms and conditions.

In addition to any other requirement imposed by law or determined by the Director to be reasonably necessary with respect to any particular grant to fulfill the purposes thereof, each construction grant shall be subject to the condition that the applicant provide certain evidences, supported by such documentation as the Director may reasonably require. The Director may for good cause shown approve exceptions to these conditions and evidences where the Director finds that such exceptions are not inconsistent with the Act and the purposes of the program:

(a) *Title.* That the applicant has a fee simple or such other estate or interest in the site, including necessary easements and rights-of-way sufficient to assure for the estimated useful life of the facility, as determined by the Director, undisturbed use and possession for the purpose of the construction and operation of the facility.

## 42 CFR Ch. I (10–1–96 Edition)

(b) *Plans and specifications.* That approval by the Director of the final working drawings and specifications will be obtained before the project is advertised or placed on the market for bidding and that such approval shall include a determination by the Director that the final plans and specifications conform to the minimum standards of construction and equipment as set forth in § 52b.11 of this part.

(c) *Relocation assistance.* That in the case of a public applicant with an approved project which involves the displacement of persons or businesses on or after January 4, 1971, the applicant will comply with the provisions of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 ((42 U.S.C. 4601 *et seq.*), 84 Stat. 1984) and the applicable regulations issued thereunder (45 CFR part 15).

(d) *Approval of changes in estimated cost.* That the applicant will not enter into any construction contract or contracts for the project or a part thereof, the cost of which is in excess of the estimated cost approved in the application for that portion of the work covered by the plans and specifications, without the prior approval of the Director.

(e) *Completion responsibility.* That the applicant will construct the project, or cause it to be constructed, to final completion in accordance with the grant application and approved plans and specifications.

(f) *Construction inspection.* That the applicant will provide and maintain competent and adequate architectural or engineering inspection at the construction site to insure that the completed work conforms with the approved plans and specifications.

(g) *Non-Federal share.* That sufficient funds will be available to meet the non-Federal share of the cost of constructing the facility.

(h) *Funds for operation.* That sufficient funds will be available when construction is completed for effective use of the facility for the purposes for which it is being constructed.

(i) *Inspection.* That the Director and the Director's representatives shall have access at all reasonable times to work wherever it is in preparation or

progress, and the contractor shall provide proper facilities for such access and inspection.

(j) *Accessibility to handicapped.* That, the facility shall be designed to comply with the Federal Accessibility Standard (41 CFR subpart 101-19.6) as modified by other standards prescribed by the Director or the Administrator of General Services. The applicant will be responsible for conducting inspections to insure compliance with these specifications by the contractor.

(k) *Minimum standards of construction and equipment.* That the plans and specifications for the project will conform to the minimum standards of construction and equipment as set forth in § 52b.11 of this part.

#### § 52b.9 Acquisition of facilities.

In addition to the other requirements of this part, the following provisions are applicable to the acquisition of existing facilities.

(a) *Minimum standards of construction and equipment.* A determination by the Director that the facility conforms (or upon completion of any necessary construction will conform) to the minimum standards of construction and equipment as set forth in § 52b.11 of this part, shall be obtained before entering into a final or unconditional contract for such acquisition. Where the Director finds that exceptions to or modification of any such minimum standards of construction and equipment would be consistent with the purposes of section 406(b) or section 404(b)(9) of the Act, the Director may authorize such exceptions or modifications;

(b) *Estimated cost of acquisition and remodeling: Suitability of facility.* Each application for a project involving the acquisition of existing facilities shall include in the detailed estimates of the cost of the project, the cost of acquiring such facilities, and any cost of remodeling, renovating or altering such facilities to serve the purposes for which they are acquired. Such application shall demonstrate to the satisfaction of the Director that the architectural, structural and other pertinent features of the facility, as modified by any proposed expansion, remodeling,

renovation, or alteration, will be clearly suitable for the purposes of section 406(b) or section 404(b)(9) of the Act, and, to the extent of the costs in which Federal participation is requested, are not in excess of what is necessary for the services proposed to be provided in such facilities;

(c) *Bona fide sale.* Federal participation in the acquisition of existing facilities is on condition that such acquisition constitutes a bona fide sale involving an actual cost to the applicant and will result in additional or improved facilities for purposes of section 406(b) or section 404(b)(9) of the Act; and

(d) *Facility which has previously received Federal grant.* No grant for the acquisition of a facility which has previously received a Federal grant for construction, acquisition, or equipment shall serve either to reduce or restrict the liability of the applicant or any other transferor or transferee from any obligation of accountability imposed by the Federal Government by reason of such prior grant.

#### § 52b.10 Additional conditions.

The Director may with respect to any grant award impose additional conditions consistent with these regulations prior to or at the time of any award when in the Director's judgment such conditions are necessary to assure or protect advancement of the approved project, the interests of the National Cancer Program, or the conservation of grant funds.

#### § 52b.11 Minimum standards of construction and equipment.

The standards set forth in this section have been determined by the Director to constitute minimum requirements for construction and equipment, including remodeling, renovation, or alteration of existing buildings, and shall apply to all projects for which Federal assistance is requested under section 406(b) or section 404(b)(9) of the Act.
